

Established in 2011 by Pam Regan, Bluestone Fine Art Gallery has been operating in the Old City District of Philadelphia. The gallery features original works by contemporary and traditional artists in a range of mediums, including painting, ceramics and sculpture. Our artists' hail from Philadelphia and around the country - many of the city's most well-known and emerging artists have exhibited their works in group and solo shows. Each month, we host new exhibitions that kick off during Philadelphia's popular First Fridays that bring hundreds of art lovers into the neighborhood for special events and openings year round. Our goal is to showcase the most engaging works in a welcoming atmosphere during regular business hours and by private appointment. We work closely with collectors, designers and architects, helping clients select the art best suited to residences, businesses and other destinations in the tri-state area. For our local clients, we offer complimentary delivery and installation. Bluestone Fine Art Gallery is free and open to the public.
