

## Your Continued Support

1. Haifa arrived today in perfect condition. We hung it immediately and are both delighted with it! I know the layering of color and brush work common in Michael's paintings from having seen other pieces and am thrilled that this piece has that same rich deep texture.

2. I'm attaching a photo so you can see where he now resides.

8. It just arrived and I love it! Thanks for the speedy delivery and careful packaging. Will send you a photo later of how great it looks on my wall.

9. You and Jeanine are an awesome team. Thank you so much for installing our collection.

10. So happy with our purchase, we will be in touch soon.11. Pam, we had a wonderful time visiting your gallery and selecting the two paintings from Ekatrina's portfolio. Jeanine did an excellent job showing us the paintings. We loved the ones we originally selected, but fell in love with the New York collection of three paintings, plus the long Windows painting. Jeanine was very patient with us as we tried to visualize the space we are putting the paintings in. Also, we will keep the paintings at the gallery, probably until mid to late November due to the renovation beginning tomorrow. I thought that would better protect the paintings from dust. We will give you a call when we have a firm completion date. Have a safe trip home.12. Pam - just wanted to let you know the painting was a huge hit. My wife loved it, and we are busily engaged in discussions about where to hang it and whether to frame it and how.

I will be in touch if we decide to frame, but either way, I'm glad to have found you and your gallery, I appreciate your help, and I look forward to keeping in touch -

We thank you for your friendship, patronage, and support, each of which we need to continue our journey of presenting extraordinary works of art.
